PROFESSIONAL EXPERIENCE

Psychotherapist, Private Practice

1995 to present 703 Walnut Street & 3393 Iris Avenue, Boulder, Colorado
1982 to 1994 1531 Purdue Avenue, Los Angeles, California

Provided ongoing Jungian oriented psychotherapy and Jungian analysis to adult clients. Worked with individuals and couples in the following areas: depressive and anxiety disorders, trauma issues, loss and grief issues, life transitions, women's issues, relationship problems, stress and occupational problems, as well as personal growth and development. Conducted therapy groups, including ongoing dream process groups. Worked with expressive arts in sandtray, art, and writing. Provided individual and group clinical supervision and training to graduate student interns, post graduate clinicians working toward state licensure (California and Colorado), and licensed clinicians.

2016 to present **Board of Directors/Faculty**
C.G. Jung Institute of Colorado, 1776 S. Jackson, Denver, Colorado

Member of the Board of Directors involved in ongoing programming and functioning of the Institute. Instruction in seminars and lectures for the study group and public programs offered by the Institute. Topics have included *Psychological Types and the Inferior Function*, *The Colors of Alchemy*; *The Alchemical Yellow in Dreams and Image*; *Dream Interpretation and Individuation*; *Film and Psyche: The Shape of Water*..

1999 to 2016 **Adjunct Professor, Transpersonal Psychology Graduate Program**
Naropa University, 2130 Arapahoe Avenue, Boulder, Colorado

Instruction in graduate level courses including, *Jungian Art Therapy*, *Counseling Relationship*, and *Jungian Dreamwork*.

2005 to 2013 **Board of Directors/ Program Committee**
Boulder Friends of Jung, Boulder, Colorado

Participated in the creation, development and implementation of this community based non-profit organization dedicated to providing informational and participatory programs oriented to the psychology to C.G. Jung. Acted as President of the Board, assisted in the coordination and ongoing implementation of lectures and seminars with local, national, and international presenters, and facilitated an ongoing monthly discussion group.

2000 to 2008 **Board of Directors**
C.G. Jung Society of Colorado, Denver, Colorado

As a board member of this non-profit organization, assisted in the coordination and implementation of ongoing monthly community lectures on topics related to Jungian psychology. Acted as a guest lecturer in 2008, 2004, and 1999.

1995 to 2006 **Adjunct Professor/Liaison/Advisor, Counseling Psychology Graduate Program**
Regis University, 3333 Regis Boulevard, Denver, Colorado

Instruction in graduate level courses that included, *Counseling and Clinical Techniques*, *Internship Clinical Supervision*, *Jungian Dreamwork* and *Introduction to Jungian Psychology*. Acted as a liaison between the university and supervisors at treatment programs in which students obtained fieldwork placement experience and evaluated treatment programs as possible contracted internship sites. Acted as an academic advisor. Recipient of the *Excellence in Teaching* award, Spring 2002.

1989 to 1994

Behavioral Health Services Coordinator

Community Care Network, 21700 Oxnard Street, Woodland Hills, California

Worked on the development of behavioral health provider networks and case management products for a managed healthcare company. Did ongoing case management and utilization review for all populations in treatment for psychiatric and/or chemical dependency disorders. Coordinated the development of and did contracting for psychiatric and chemical dependency provider networks throughout the Western United States, including site visits and clinical assessments of programs. Presented clinical inservice staff trainings.

1988 to 1989

Therapist

C.P.C. Vista del Mar Hospital, 801 Seneca Street, Ventura, California

Did inpatient treatment with adults suffering from severe and chronic mental illness. Conducted therapy groups on the ICU and open units, performed psychosocial assessments, and coordinated discharge planning.

1980 to 1989

Therapist/Clinical Supervisor

New Start Counseling Center, 2500 Colorado Avenue, Santa Monica, California

In an outpatient setting provided therapy for individuals, couples, and families in both short and long term treatment. Coordinated intake procedures and assignments; organized and facilitated therapy groups, including an ongoing women's group; provided clinical supervision to M.A. and Ph.D. level interns; worked with addictive disorders, provided education on chemical dependency issues to the community; presented in-service trainings for staff and interns; coordinated and counseled on a 24-hour community hot line.
